

Quality Policy

CMG Plastics is committed to providing precision molded products that meet or exceed our customers' expectations and requirements and to continually improve the effectiveness of the Quality Management System.

Food Safety Policy

CMG Plastics is committed to providing food packaging products that are produced safely and sustainably and are safe for human use. We will never compromise the safety, compliance, and quality of our products.

We pledge to continuously challenge ourselves to improve our product offerings by implementing and maintaining a Food Safety Management System that guarantees product integrity, food safety and promotes a culture of honesty, quality, and teamwork.
